

PRESS KIT

Disney Village reopened gradually as of July 15th, jointly with both theme Disney Parks, Disney's Newport Bay Club Hotel and Disney's Hotel Cheyenne.

The phased reopening enhanced health and safety measures implemented for both Cast Members and Guests.

As the health and safety of our guests and Cast Members is our top priority, Disneyland Paris' phased reopening takes a deliberate approach with limited attendance, physical distancing and enhanced cleaning measures aligned with guidance from French Government and Health Authorities, as well as requiring the wearing of protective face masks for guests aged eleven and older, Cast Members and contractors.

The resort will continually adjust operations and health and safety measures as the situation evolves and in accordance with guidance from French authorities.
